This morning as I was waking up I vaguely remember this dream I had about various friends of mine dressing up as cartoon characters and going to the mall to earn some extra money. But if anyone knows Marjorie and Kevin out there, the funniest part of this dream was that the two of them were dressed up as Beavis and Butt-head and they were gonna go to the mall and try to earn extra money that way.

Speaker 4: I don't want anyone making any disgruntled announcements about why do we have this independence day thing? Independence is bullshit. Well, I'm of Alsacian heritage and we have to kowtow to not one, but two, countries. We profess our independence hither and yon and say I'm not French, I'm not German, I'm Alsacian. It's really confusing. Maybe this is just because I started menstruating. I don't want anybody looking knowingly at my crotch on Sunday and giggling because I'm following the lead of several gymnasts. We use internal protection to feel secure. Sorry if I'm grossing you out, but that's something a little more for the ladies here. Naked John is going to be appearing on Sunday. Yes, ~~Naked~~ John. He's a nice a guy.

That said, I'd like to take this opportunity to tell you that the witches ^{Brew} tool is no longer a weekly affair due to your overwhelming apathy. Look for monthly gigs at the Hong Kong, starting up June 17, with the Messa band, so you really get your money's worth.

Speaker 4: Call Fuzzy Land if you want to know what the fuck's going on at Fuzzy Land.

Butt wizards?

They're on Friday night this time. Butt Trumpet and Imperial Boas are at Out Bar Al's Friday night. Okay. Get tanked. Start now. And get to 6423 Yucca at Wilcox.

Butt Wizards

Friday night, Low Pop Suicide starts at nine, and then the chamber orchestra. They're hot. There's five incredibly sexy women in it. Fuck the guys, who cares. They're good musicians, big deal. Carolyn Edwards. She's got a beautiful voice and she's gonna sing all these songs.

Defect Ludafisk

And then Pop The Sec and Ludafisk. Get tanked beforehand, throw whiskey over the wall into the courtyard where the skulls and guns are. Good. Take the back streets home. Drive up. And this is why you should go.

Recording: You may start your message now.

Speaker 5:

Ruby fish

Okay, okay, I'm finally changing the message. Saturday night, Ludafisk and Ruby Fish. I guess it's fish night at Eagle's Coffee Pub. That is in North Hollywood. You gotta see Dallas Don. He's the sexiest guy in rock and roll, says Leo Sayer. He's gorgeous. So go to that show.

Ludafisk

And also the same night at Bob's Frolic 3 in Hollywood on Santa Monica, the controversial Abe Lincoln Story at 10:30. See Steve Moromarcio strip down to his now-famous blue speedos. And at 11:30, it's Spindolyn. It's probably their last show. Hmm.

There is a party at 10:00 in a big house by USC. 668 West 28th between Figueroa and Hoover. Call Josh, 748-0916. And the band MacDeath will be playing. And the woman who left the message had a very beautiful, I think, Swedish accent, so I couldn't understand what the name of her band was. I think it was like "Gumiklumeister." She says it will be awesome. Black lights and freaks. That sounds like fun.

And also Fuzzy Land, punk rock karaoke, 969-1433.

Sunday morning, Breakfast with Buddha. Bring offerings. Bring a prayer or a poem or some sort of piece of food. Bring food to make for breakfast. That's in the forested park above the Errol Flynn estate. 213-934-3438. Ask for Guru Clyde.

And Sunday night, it's the premiere of Five Nights Out, starring Possum Dixon, Beck, Glue, The Abe Lincoln Story, and many of your dear friends acting drunk and stupid in kitchens and barbecues. That's at Troy Café. Also the Geraldine Fibbers and Liquor Cabinet will be playing. And that's \$5. I'm not sure what time that starts, call back later for more information.

And also Sunday, I'm not sure what time, but at Bordner's it's Waco and the Abe Lincoln Story.

Recording: You may start your message now.

Speaker 5: Hi, it's Saturday night. Fuzzy Land is not happening until next weekend. Here's what's happening tonight. ~~Luna~~ ^{Luna} Fisk and Ruby Fish are playing at Eagles Coffee Pub in North Hollywood. *(one word)*

Also, there's a party at a big house by USC at 668 West 28th Street between Figueroa and Hoover. MacDeath is playing. They sound like The Butthole Surfers. The Gummi Glow Mermaids will be there. They barf up things in black light. How cool can you get? If you want to go to the party call 213-748-0916, or just show up at 10 or later.

Tomorrow, we have Breakfast with Buddha at 11 in the morning at Wattles Garden Park. Take Fairfax north, Hollywood Boulevard right, Curson left. It'll be on your right, it'll be a big gate, it looks like you're going in the backyard of somebody's house. Just walk up there, it's actually a park. Park on Curson then walk up into the park at 11 in the morning. Bring food, bring a coffee mug for coffee, bring an offering for Buddha. Call 213-934-3438, ask for Guru Clyde for more info.

We need movie extras on Sunday night at 5pm til about midnight for a party scene. They'll give you free food, but they can't pay you. It's a really cool movie, and they'll feature you if you look really cool and 60's-style like The Factory. Call 213-851-2935, ask for Alex.

Also Sunday night, Waco and The Abe Lincoln Story are playing. Call back tomorrow for more information, and go to also the premiere of Five Nights Out.

It's \$5 at the Troy Café, with Possum Dixon, Beck, Glue, The Abe Lincoln Story, Geraldine Fibbers and Liquor Cabinet will be playing. Call back tomorrow night for more info. We will see you.

Speaker 8:

Hey, Eric, my girlfriend Tracy told me to call you. My name is Tequila Mockingbird. I think we know each other. I wanted to tell you about a couple of projects I am doing.

I have a show every Sunday at Boardner's, it starts at six o'clock. It's \$5 to get in, \$3 with flyer, and all you can eat hotdogs and chili. This Sunday the 16th, I have Neptunas, Bomboras, Rick DeLano, and the wonderful Mystery Band. Then the week after that, I'm going to be having another one of my fabulous Halloween shows there.

Pre-Halloween, we're doing October 23rd at ... which is another Sunday night weenie roast, it's the Radar Brothers, [WaKo 01:35:25], which is the [Wild Steers 01:35:26], the [Wila Steers 01:35:29] acoustic chamber orchestra, and Bed of Eyes playing there. Then, October 30th, Pagan Pageant, Exploding Fuck Dolls, and Linda Lesabre. We're also having a Halloween party at the Hollywood Roosevelt Hotel. You can call 213-463-7058 to find out where the invitations are.

And I just wanted to tell you that Valoria ... a new club that I'm doing is called The Gate, and The Gate is at 643 North La Cienega in Beverly Hills. Don't be afraid, Kiddies just get thrust up in count. And Valoria will be playing at 10 o'clock sharp. It's free to get in from 9:00 to 11:00 at this club. It's kind of got a dress code so you got to dress, but Valoria is going to be there and Valoria's tapes and stickers are going to be available, and they're going to be playing at 10 o'clock sharp. 10 o'clock and it's free plus one before 10:00, so you guys get on down to The Gate. I'm no longer with Hell's Gate, I'm now with The Gate, which is kind of like heaven.

My home number is 213-463-7058. I guess that's it. Let's see, yep, I do Sundays at Boardner's and Wednesdays at The Gate, not to be confused with Hell's Gate. And we do Tuesday rockabilly night at Hell's Gate, so that's Bunny's Rockabilly Blast every Tuesday. Three bucks to get in at Hell's Gate. Okay? Thanks Eric, if you need anything call me, and you're on the guest lists to anything I do, plus whatever. Talk to you later. Valoria, Valoria is playing on Wednesday. See you then, bye.
